CDL Labor Management has comprehensive staffing solutions for your logistics operations.

CDL Labor Management is your logistics staffing powerhouse. We supercharge your operations with a workforce of warehouse warriors and skilled labor, seamlessly slotting into your environment to crank up efficiency and productivity. But we don't stop there. Our direct placement prowess brings you top-tier managerial talent and rockstar specialists, assembling a lean, mean logistics machine primed to outpace the competition. Don't settle for just keeping operations afloat - let us flood your ranks with the crew that'll make waves and set new standards.

At CDL Labor Management, we pride ourselves on our ability to deliver top-tier logistics staffing solutions that cater to the diverse needs of your business. Our extensive network of skilled warehouse and labor personnel ensures that your operations are always running at peak efficiency. Whether you need temporary staff for peak seasons or long-term placements to support ongoing projects, our rigorous vetting process guarantees that we provide reliable and competent workers who are ready to meet the demands of your logistics operations.

In addition to our comprehensive staffing solutions, we excel in direct placements for managerial and specialized roles. We understand that the success of your logistics operations hinges on strong leadership and highly skilled staff. Our team of experts works closely with you to identify the specific skills and attributes required for each role, ensuring we match you with candidates who not only have the technical expertise but also align with your company culture and values. From operations managers to supply chain analysts, our direct placement services are designed to help you build a team that drives success and innovation.

At CDL Labor Management, we go beyond just filling positions; we are committed to partnering with you to achieve your business goals. Our personalized approach means we take the time to understand your unique challenges and objectives, enabling us to provide tailored staffing solutions that deliver real results. By supplying dependable warehouse and labor personnel and securing the best talent for your managerial and skilled roles, we help you optimize your logistics operations and maintain a competitive edge in the industry.
